

God With Us

Proclaim Children Choir

Verse 1

They came with lots of treasures there
to see the Glory of their King
the Son of Light is wrapped in a manger the gift of God in love with us
the Heavens sing the Angels dance
unto us the Child is born
the earth rejoices the Son is given
the God with us He is Emmanuel

Chorus

He is the Prince of peace
The great I am
The God with us He is Emmanuel
Son of God, Bread of life
God with us He is Emmanuel

Verse 2

Families come and celebrate let us rejoice the Saviors born
The only hope we have with us
Is born in a Manger miles away
We lift our voices and sing His praises
The God with us He is Emmanuel
Blessed is the lamb
