Solo
I wanna love you Lord
I wanna love you dearest father
I dont wanna slip off your hands again
Its so depressing and disappointing out there
I choose to be your best friend
Not a reporter anymore
Thats why I have come to be with you to know how you are doing once again.
I know youre missing me
And I miss you to dearest friend
Please draw me deeper, draw me deeper
That I will feel same way you feel about me
I want to live the rest of my life making you happy JESUS!
Draw me deeper.
Please power my conscience Lord
That when you come for our fellowship
I will be available for you
Theres a way we relate
That is personal just for the both of us

It means a whole lot to me God
It quenches your taste and makes me younger
Oh I take back my place for You alone
Thank You Jesus
Thank You Lord
Thank You for not losing trust in me
Thank you for believing I can still get it right
Thank you for your unconditional love
Its incomparable
Its pure and practical
Its inexhaustible Jesus
Deeper In Love
I wanna feel same way heei
over and over and again for you Lord
Its never enough for You, not enough for You, just not enough, just not enough
Draw me deeper heei
