

# God of Our Fathers

**TDZeal**

Youre my God  
Youre my Strength  
Youre my rock  
Youll ever be /2x  
Cos You are my salvation  
My Only God  
The one in Ages past  
Forever I praise your name  
I bow to You  
And this I can testify  
Youre the God of our fathers  
He is here  
Just believe  
By His stripes  
You are healed  
You are my salvation  
The Only God  
The one in Ages past  
Forever I praise your name  
I bow to You  
And this I can testify  
Youre the God of our fathers  
You reign  
I worship You forever  
Youre the God of our fathers  
The ancient Holy one  
I worship You my God  
Ancient one you reign
