

# Wonderful God

## Gladys Godwin

### Verse 1

Tell me what a man can do to me  
When God is by my side  
When he is my protector  
And he is my shield  
Tell me what a man can do to me  
When he says yes no one says no  
he is always by my side  
he is always beside me  
He promised me in his word that he  
He will give his angels charges over my situation  
He is always by me

### Chorus

Wonderful God  
Beautiful king  
Wonderful God  
Thats who you are to me  
Wonderful God  
Beautiful king  
Wonderful God  
Thats who you are

### Verse 2

Tell me what a man can do to me  
When Jesus did it all for me  
he becomes my defender  
And he hears me when i call  
Tell me what a man can do to me  
When Jesus did it all for me  
He has given me salvation  
And he hears me when I call

### Repeat Chorus

### Bridge

You gave me strength  
You heard my deepest cry  
You sees everything  
You are the same and only true God  
You are my everything  
Theres no one like you,  
No friend like you,  
You are the same and only true God
