

If I Don't Have You

Delia

If I look up I cant see tomorrow
If I look down I cant find myself
Where do I go if I dont have you
How do I stay if youre not here
What do you think of me when Im out there
Where do I go if I dont have you
Where do I go if I dont have you
What can I say, if you havent said it
How can I smile if I dont know you Jesus
Where do I go if I dont have you
Where do I go if I dont have you
How can live if you just leave me
What do I think in my head if you do not think of me
If I dont have you×4
What am I
Who am I
Where do I go
If I dont have you.
