

Marvelous Things

Yucee

Verse 1

Truly you are not a man
From everlasting thou art God
Eyes have not seen, ears haven't heard what you've planned for me (yeah)
The doors are open I see the heavens raining down on me
Surely goodness and mercy follow me wherever I go

Chorus

And I will shout (la la la la)
I will sing (la la la la)
I will dance for you (la la la la)
Coz you have done marvelous things for me

Verse 2

This is my story this is my song
I'll be praising my Savior all the day long
Eyes have not seen and no man can tell what you've planned for me
The gates are open I see the heavens raining down on me
and surely goodness and mercy follow me wherever I go

Chorus

Shout (la la la la)
Lord I will sing of your mercies Lord (la la la la)
I will dance for you coz you have done marvelous things for me (la la la la)
Lord I will shout a shout for joy (la la la la)
I will sing of your love and your grace (la la la la)
I will dance for you coz you have done marvelous things for me (la la la la)
This is love!
