

Kokoro (Key)

Tosino Freeman

I don get my kokoro (oh way)
U don get ur kokoro (oh way)
Na God be my kokoro
Na God be ur kokoro
Na God be we kokoro (oh way)
It is there in the Bible
My God walked upon water
He makes the blind to see
He raised the dead (han han)
Theres nothing he cant do
If only you keep believing
I dont know about your struggles
Hell see you through (han han)
Se na house that u want
Na car that u want
Na Child that you want
Abi na joy that u want
Na peace that u want
Na Wife that u want
Just ask for the keys
Just ask for the keys
He will give it all
Just ask for the keys
Just ask for the keys
He will give it all
Chorus repeat 2x
My brothers my sisters
U need not to worry
I know u dey hustle
Ull make it through (han han)
Cast away ur sorrow
Its a new day
And put ur trust in him
He nor dey fail (han han)
Se na gold that u want
Na silver that u want
Na land that u want
Abi na house that u want
Na car that u want
Na child that u want
Just ask for the keys
Just ask for the keys
He will give it all

Just ask for the keys
Just ask for the keys
He will give it all
Chorus repeat 2x
Ive got the key
To open up every door (Yea)
His name is Jesus
Hes the alpha and omega
Oh oh oh
