

# Wreckage

[KBell](#)

Hey  
Hey, Hey, Hey, Hey  
Ho, Ho, Ho, Ho  
Ho, Ho, Ho Ho  
Help is coming  
Do not take your breath away  
You gotta Keep on calling  
Help is coming  
Do not take your breath away  
You gotta Keep on calling  
I know men  
The world todays broken  
And not getting better  
Once a place of beauty  
The beauty fade away  
Fear is all we know  
Nations threatening nations  
Politicians looting nations  
Modern slavery  
Is still everywhere  
Its a nightmare  
In this nightmare  
People die daily  
Based on little things  
Heart broken, still pondering  
How did it comes to this?  
Where did we get it wrong?  
Who will save the day?  
Were bleeding out  
Oh lord  
I know my faith is shaken  
Dont leave my soul in hell  
This is killing me  
Can you still hear us?  
The truth unfold  
Hey  
That the ever ready help  
In times of need  
The mighty in the wreckage  
Is still alive  
Always there  
So powerful  
He never fails

He will save the day  
Help is coming  
Do not take your breath away  
You gotta Keep on calling  
Help is coming  
Do not take your breath away  
You gotta Keep on calling  
Oh Lord  
Lay aside this weight  
That easily beset me  
That I dont wanna do  
Are the things I do  
Even though  
They asked me to chill  
That sin is part of life  
I wont lose my soul  
Just to gain the world  
The spirit is willing  
But lust  
Beckon me to hell  
Feels good like hell  
Soon hurt like hell  
How long for heaven?  
Abba father  
Your power is stronger  
Beyond imagination  
To transform my life  
When I was broken  
You remould my life  
A brand new vessel  
Though I do wondered  
Can he still hear us?  
The truth unfold  
That the ever ready help  
In times of need  
The mighty in the wreckage  
Still alive  
Always there  
So powerful  
He never fails  
He will save the day  
Do not take your breath away  
Oh, oh, oh  
Help is coming  
Do not take your breath away  
You gotta Keep on calling  
At that time that  
I was In that mess  
You put those broken pieces

Back together  
Back together  
Your love transform my life  
God of wonders  
Your unconditional love  
Makes me wonder  
Your love amazes me  
Help is coming  
Do not take your breath away  
You gotta Keep on calling  
Help is coming  
Do not take your breath away  
You gotta Keep on calling  
Whereas youve been hated, forsaken  
And non as passed through you  
I will make you an eternal excellency  
Joy of many generations  
Keep on hoping people  
Keep praying  
For the effectual fervent prayer  
Of the righteous availeth much
