

Victory

Medlye

VERSE 1:

Sometimes I ask myself, what I paid to earn it.
My brother my sister, that I cannot answer.
Atimes I ask myself, what I paid to earn this love.
Even till now that I cannot answer.
How you looked at me, even before creation.
How you love me so, that you made me your everything.

Jesus (3x)

CHORUS:

Victory,
You gave me victory,
Over the world, I have victory in you,
Victory,
You gave me victory,
Over the world, I have victory.
Victory, (Victory)
You gave me victory, (Victory)
Over the world, (uhhh)
I have victory in you,
Victory, (Victory)
You gave me victory, (Victory)
Over the world, (uhhh)
I have victory.

VERSE 2:

Sometimes I ask myself, what I paid to earn this,
Even till now that I cannot answer,
Atimes I ask myself, what I paid to earn this love,
My brother, my sister, that I cannot answer,

That the pain did not matter,
You were so jealous of me, (Me)
Oh what a price, what a sacrifice,

Over the world, I have victory in you, (Now I'm seated with you, in heavenly places)
