

No one like You

The Souled Out Generation (The SOG)

How can I explain
Your life that you laid
On the cross of Calvary for me
You loved passionately
How can I explain
a name above all names
at the mention
every knee must bow
that's why we sing out Loud
There is none
no one like you
I have searched
searched all over the world
and I found
no one like you...
Through the years you've been a friend
cos of you I have no fear
I depend on you
cos you are true
In you I am complete
how can I explain
a name above all names
at the mention
every knee must bow
that's why we sing and shout
There is no...
one like you...
