

# Melody in my heart

T Sharp

Separate my heart  
to give you praise and glory  
I proclaim your love  
It's purer than the olive  
I surrender all it all belongs to you  
In you I live and move  
And have my being oh God  
Resurrection power  
I've found my place in you  
Living water  
I draw my strength from you.

Chorus:-

It's an honour to be loved by you  
There's a melody in my heart just for you  
All my strength joy power I've found in you

I give you the praise

The praise

You deserve my praise

My praise.

Refrain:-

I give, I give

I give to you my praise (2x)

I give you the praise

The praise

You deserve my praise

My praise
