I always win

RevPee

I can never loose

I always win

Cos on the cross Jesus did it all for me

I can never fail

I already won

Cos by his grace I have won the victory

I Always Win

I Always Win

I Always Win

In Jesus name

I can never loose

I always win

Cos on the cross Jesus did it all for me

I can never fail

I already won

Cos by his grace I have won the victory

I Always Win

I Always Win

I Always Win

In Jesus name

I am righteous

I am holy

I am beautiful

I'm beautiful

I'm beautiful

I'm beautiful

I'm beautiful
