

No Wele

Pompi

Verse 1

Te ifwe tule tina
#BolaNi90
Lelo tule wina
My God is Mighty
From Lions to Philistines
To Pharaoh with his schemes
Yes I have seen
My God is never late
Natu kwata leakage
Yes we know
Imibombebe yakwe taya filwapa
He secured the trophy before you ever knew
That there is a trophy to be won

Chorus

Muli Bola na lesa yeve (When you ball with God)
Beve no wele (No scores for them)
Beve no wele (No scores for them)
Beve no wele (No scores for them)
Muli Bola na lesa yeve (When you ball with God)
Beve no wele (No scores for them)
Beve no wele (No scores for them)
Beve no wele (No scores for them)

Verse 2

Them trust in Chariot
Them trust in Horse
Thats not my heritage
And history records it
I know who I am
And whose I am
From the line of Abraham
And a so called barren wife but #BolaNi90
A winner like Esther and Mordechai
Haman is asking for overtime
Elevated to a better grind
Bata taughee type of better shine
Smite them there is no referee
Power or principality
That can overwrite the plans he has for me

Chorus

Bridge

The Last shall be first
#BolaNi90
