Oh glory glory to Your Name

So now I kneel before Your throne
Before Your altar I am known
I just want to say, Baba o, ese.

Baba o You changed my life today
Baba o..I give You all my praise
Baba o..I give You all my worship.
For You turned my life around today.

Verse 2

In adoration I bow
Lord Your mercy and Your favour
Surround me like a shield
How can I repay
All the help You gave me
I just want say, Baba ese.
