

Make Me Your Pleasure

Benjamin Dube

All I want to be is Your pleasure
Taking it back to where I first received You
Making me Yours – the beloved and chosen
And I'll be set apart
And I'll be Yours (Repeat)
Lord, all I want to be is Your pleasure
Pleasing You Lord is what I desire
Seeking You first and all shall be added
And I'll be set apart
And I'll be Yours
All I want to be is Your pleasure
Making me Your own
All I want to be is Your pleasure
Making me Your own
All I want to be is Your pleasure
Pleasing You Lord is what I desire
All I want to be is Your pleasure
Making me Your own
Make me, make me, make me Your own x2
(Repeat)
Response: Make me, make me, make me Your own
I give myself to You Lord, I wanna be Yours
This is all I desire, this is all I hungry for
I want You to make me Your own
This is all I'm longing for, to be set apart, to be Your own
I want You to make me Your own
This is all I'm longing for – Lord, this is what desire Lord
I want You to set me apart
I want to gaze upon upon Your beauty and tell You
How wonderful You are, and tell You how Awesome You are
And tell You how lovely You Are
I surrender all to You God, I want to sing at Your feet Lord
This is all I'm longing for x2 Oh God
This is all I am and I give it to You
This is all I desire, transform my mind Lord
Change my heart Lord, make me Yours
Make me, transform me, make me, Oh God
This is my prayer, this is all I'm longing for
Oh, make me Lord, make me Lord!
