

# I'm waiting on You

Mr. M

I m waiting on 3\*  
Come and lead as I follow  
I long to know your ways  
I long to follow you as you lead  
I m waiting on you  
Come and lead as I follow  
Talk  
Whatever you want Jesus  
Is alright with us  
However you lead Jesus  
Is alright with me  
It's alright with my family  
It's alright with my mentality  
I just want you to step in  
And do it your own way  
I want my life to be seized and completely infused in thine  
I m alright  
I m alright  
I m okay with how you lead  
We are ready  
We are waiting  
We wait on you Jesus  
We know that you are the only one that can Garnish our lives  
We know that you are the only one  
That can make our life beautiful  
So we ask  
Take your place  
Take the wheel  
Take the wheel  
Do what you want  
Let Jesus be seen  
We die  
That Jesus be seen  
It's just about u Jesus  
Nobody else but Jesus  
Nobody else but Jesus  
You matter to us 3\*  
Jesus you are the In thing  
Jesus is the inn thing  
It's all about u Jesus  
Yes yeh yeah yeah yeah yeah yeah yeah  
Halleluya
