

More Than Enough

Joe Praize

Mountains High, Valley Low
Ocean Deep, in the darkest hour
Jesus You are more than enough
People may cry
People may fall
People may faint
And People grow weak
And, Jesus You are more than enough
In times of trial, and tribulations
No good in the land
And go everywhere
Jesus, You are more than enough
In the land of honey
*** times
we will conquer
because we are able
Jesus You are more than enough
oh oh, Jesus You are more than enough (4x)
You are more than enough
You are the rock on we shall stand
You are the life that i live
You are the air that i breathe
My Everything
My sure respond
My one and only Lord
irreplaceable You are
There is no one else like You, oh
When they say there is a casting down
And i see the world crumbling down
I will say there is lifting up
Because Jesus is my rock
I'm Bold
I'm Strong
I'm not afraid about tomorrow
Jesus You are more than enough, Oh oh
Jesus You are more than enough (8x)
More than enough (3x)
You are more than enough
You are bigger than what people say
Jesus, More than enough
Jesus, More than enough
Jesus, More than enough
You are more than enough

Saviour, More than enough
Father, More than enough
Jesus, More than enough
You are more than enough
