## The Love Medley

## **Clifford Enobun**

You love me especially different
You keep me on my feet
happily, excited Your touch
Your hand Your style Your intelligence
You kept me, never left me You taught me
give me something to think about
(and thats why)
I love You forever
I love You forever
I love You forever
I love You Jesus
I worship and adore You
just want to tell You
Lord I love You more than anything
