

Jehovah, You love Me

Sam Ibozi

Verse 1

Theres a place, I have been,
Full of Pain and regret, had no joy
Thats my story, life paid me with grief
You were there at the end of the line,
now all i had has been fully restored

Chorus

Jehovah You love me, Yes You love me
Jehovah You love me, You love me, You love me
Oh Yes You do ooo

Verse 2

Youve been hurt, and alone
theres no place you belong
You tried it all, and you failed
have no fear God is able
Every promise He made Hell fulfill
and you will have every reason to say
