

God is faithful

Simply Gabriel

I call him faithful
He is faithful
Faithful is the king of kings
I call him faithful
He is faithful
Faithful is the Lord of hosts
You're the one who lives on high
The soon coming king
The beautiful rose of Sharon
The beginning and the end
God is faithful
He is faithful
Faithful is the Lord of host
I call him faithful
He is faithful
Faithful is the king of kings
I call him faithful
He is faithful
Faithful is the Lord of hosts
You're the one who made the blind to see
The lame you made to walk
The barren bare her children
And the dead you raised
You are faithful
You are faithful o God
Faithful is the Lord of host
We call you faithful
You are faithful
Faithful is the king of kings
We call you faithful
You are faithful
Faithful is the Lord of hosts
We call you faithful
You are faithful
Faithful is the king of kings
We call you faithful
You are faithful
Faithful is the Lord of hosts
I call him faithful
He is faithful
Faithful is the king of kings
I call him faithful
He is faithful

Faithful is the Lord of host.
