

# Yebimo

Ezzy Kay

INTRO:

Eya eya

Ayayaya..yaya

Oh God my father, you have done me well oo

Am so very grateful, Ayayaya

VERSE 1:

When I think of all the things you've done for me, Jesus

If I sing and dance, it still won't praise you enough

For the miracles and battles you have won for me

With a grateful heart, Lord I've come to testify

When I think of all the things you've done for me Jesus

If my body was full of mouth, it still won't praise you enough

For the many many blessings money cannot buy for me

With a grateful heart, Lord I've come to testify

CHORUS:

Yebimo, yebimo, yebimo

Nanowei yebimo

Yebimo, yebimo, yebimo

Nanowei yebimo

VERSE 2:

You took away my shame, and put on me your grace

You've given me peace and joy

You've given me health and wealth

You have done for me, what no man can do

Am so grateful, Nanowei yebimo

You have shown me so much love

You have shown me so much mercy oo

All the things that you have done

My mouth can't tell it all

Nobody can love me like you, nobody protects me like you

Nobody can bless me like you

Nanowei yebimo

(repeat chorus)
