

Higher Than All Names

[Kelvocal](#)

Jesus, Jesus, your name
Is higher than all names,
Jesus, my mountain mover, your name, is higher than all names

Sickness is a name
Disease is a name
But the name of Jesus
Is higher than all names
Failure is a name
Delay is a name
But your name

Is higher than all names
Barrenness is a name
Delay is a name
But the name of Jesus
Is higher than all names.

(CHORUS)

Jesus, Jesus, your name
Is higher than all names
Cancer is a name
Leukemia is a name
But your name
Is higher than all names
Limitation is a name
Affliction is a name (yeah)
But your name, Oh God,
Is higher than all names (yeah)
Backwardness is a name
Poverty is a name (yeah)
But your name

Your name is higher
Higher than every other name
(CHORUS)

Jesus, Jesus, your name
Is higher than all names
(SPECIAL PART)
The mighty God (Echo)
The great i am (Echo)
The Prince of peace (Echo)
Thats who you are (Echo)
(CHORUS)

Jesus, Jesus, your name
Is higher than all names
