

Jesus is here

Loyiso Bala

Verse 1

Jesus is here
so we lift our hands in Your presence
hail to the king majesty
we come as we are
knowing You'll accept all our failings
make perfect by Your sacrifice

Chorus

were saved by Your grace, as we look into Your face
were saved by Your grace
as we believe, we receive

Verse 2

Jesus is here
bringing life to those who are dying
restores broken hearts, wounded minds
so come as you are
He will take your pain, give you honor
His love will prevail, it never fails

Chorus 2X

Bridge

No weapon formed against us
shall see the light of day
and every word against us
shall be condemned to hell
for we are Your beloved
covered in Your embrace
we believe, we receive Your victory

Repeat

Chorus 2X

Jesus is here
so we lift our hands in Your presence
