

# This God Is Too Good

**Nathaniel Bassey**

Chorus

I will worship Him forever  
Love Him forever because  
This God is too good o

Verse 1

I know a God, who's merciful and kind  
Faithful and gracious  
I'm the apple of his eyes  
And the thought that fills his heart  
Every Morning, noon and night  
He loved me when I didn't care  
And was patient till I came  
Running back into his arms  
Look how he turned my life around  
Making me a shining light  
His glory to reveal

Verse 2

Don't look too far to see how good he is  
Just look at me  
He took me from the miry clay  
Set my foot upon the rock  
I'm standing in his righteousness  
He took away my sin and shame  
Gave me a brand new name  
His beloved and the redeemed  
See how he turned my life around  
Made me a shining light his glory to reveal
