**Victoria Orenze**

Oh oh oh oh oh oh oh

Oh.. oh oh oh oh

Verse

There's a vision for You  
There's a plan by Your Architect  
You're a nation under God  
You're a child of promise  
You are called to be different  
You are called to be great

Chorus

My Nigeria, My Home  
Hear Ye Your Call  
You are light and hope to nations  
My Nigeria, My Home  
You will arise  
You will stand and You will prosper by God

Verse

Though Your failures are much  
Thou Your struggles are many  
Light seems nowhere to be found  
All Your children are wailing  
Yet Your time is not over  
God's not through with You

Chorus

My Nigeria, My Home  
Hear Ye Your Call  
You are light and hope to nations  
My Nigeria, My Home  
You will arise  
You will stand and You will prosper by God

Bridge

There's a shifting  
Keep believing  
God is never late...

Chorus

My Nigeria, My Home  
Hear Ye Your Call  
You are light and hope to nations  
My Nigeria, My Home  
You will arise  
You will stand and You will prosper by God
