

Holy Spirit

Abraham Saturday

?Verse 1

We are here in your presence
Cos we know your mighty power
You heal the sick and make the dead to live again
We're expecting your mighty power
Come rain on us right now
And we know you do a miracle today

Chorus

Holy spirit you are welcome
Come rain on us, come rain on us right now
Holy spirit you are welcome
Come rain on us, and let your power flow.

Verse 2

Holy spirit you are welcome
Highly welcome in our midst
Cos we're waiting and our heart are ready for you
Come quicken us with your fire
Almighty fire from on high
And we know you'll do a miracle today (verse2 is repeated twice one part by me the other by the backup)

Chorus

Holy spirit you are welcome
Come rain on us, come rain on us right now
Holy spirit you are welcome
Come rain on us and let your power flow (x2)

Bridge

Holy spirit revive us once again
Holy spirit quicken us with your fire
Holy spirit we need your presence now
Come rain on everyone right now. (the bridge is also repeated twice one part by me, the other by the backup)

Chorus

Holy spirit you are welcome
Come rain on us come rain on us right now
Holy spirit you are welcome
Come rain on us and let your power flow x2

Talk

Fill our cup Lord we lift it up Lord
Come and quench the testing of our soul
Come heal every broken hearted, we present ourselves for you to reign Holy Spirit
Holy Spirit we wait on you
