

Unto The King

Frank Edwards

We lift our voice in praise to the great and mighty God
You are beautiful always perfect in all your ways
Our voice we raise singing to You
Lord you are excellent
Only you for ever more
Halle Halleluyah, Ill sing to you a song
We give you praise (Son of righteousness)
Son of righteousness
My saviour and my friend
And all my righteousness
When I see your face (Halleluyah)
I will sing this song
Lord you are excellent
Only you forever more
Halle Halleluyah, Ill sing to you a song
Holy is your Name
Fountain of my life
Creator of all things, my love I pour to you
In you I live, move and have my being
Lord you are excellent, only you forever more
Halle Halleluyah, Ill sing to you a song
Halle Halleluyah Ill sing to you a song
Only You forever more
