

Idi Ebube

Traimi Dave

Verse 1:

I have searched through all the earth
I have looked over the seas
From whence cometh my help
Not from men, Not from me, But from you
I have searched through all the earth
I have looked over the seas
From whence cometh my help
Not from men, Not from me, But from you

Chorus:

Idi ebube eh eh
Imaramma ah ah
You be Go o od
Youre not a man
Youre not a man

Verse 2:

[Joy help me sing] Heaven and earth call out to you
[Call out to you] angels bow before your throne
[The 24 elders] the 24 elders they prostrate fall
[They fall on their faces] not to man, [not even to me] not to me, but to you
[Heaven and earth] Heaven and earth call out to you
[Everyday and night] angels bow before your throne
[The 24 elders, all of them, all of them, they prostrate fall] the 24 elders they prostrate fall
[Not to any man] not to man, [not even to me] not to me, [but to you Jesus] but to you
Chorus till fade
