

All That I Am

Isabella Melodies

By Isabella

My heart belongs to You

My soul delights in You

My life depends on You

I love You, I love You

Refrain:

All that I am, all that I want

All that I need; I have You

Lover of my soul, ruler of my world

Center of my joy, Jesus you are

My strength is found in you

My mind is set on you

My spirit yields to you

I praise you, I praise you

(Refrain)

Bridge:

To worship You; I live

My Heart, to you; I give

Your promise; I believe

Your mercy; I receive, eternally

(Refrain)
