

Mulungu sama

Pompi

verse 1

when all are sleeping
and darkness creeping
you interceded
i thank you lord
when we are victim
to the accuser
for us you pleaded
i thank you lord
no weapon formed against me shall prosper
you opened doors that no man can close up
i need you closer
you bring joy to those whose hearts are broken
i thank you lord
when all are sleeping
and death is peeping
you never leave me
i thank you lord
when mind, spirit and body weaken
on you i am leaning
i thank you lord
its hard to keep my eyes on you lord when
they are full of tears so i seek my portion
your word was spoken
you bring joy to those whose hearts are broken
i thank you lord

chorus (x 2)

mulungu sama gona pali iwe daily
he is watching over when times are crazy
i know that sometimes it feels like
the world is a bag of pain
but he would never let a righteous tear fall to the ground in vain

verse 2 (x2)

keep your heart on jesus (x4)
coss through the storm and through the fire
is a new bloom so never tire
keep your heart on jesus (x2)

verse 3

yahweh all i need
yahweh all i see
i am so grateful for this relationship
we are in desperate need of your spirit

holy spirit comfort your children
give them a hug
give them a kiss
give them the joy
give them a wish
we are in desperate need of your spirit
you don't slumber no sleep just to give it
