

Ahaa

Tim Godfrey

Ahaa Ahaa Ahaa
Omenma Omenma
You are good and you are kind
Ogwo oria ogwo oria, you are my healer divine
Onye mbu onye ikpeazu, you are the first and the last
Onye mbu onye ikpeazu, you are the first and the last
Master of the universe, you are the end from the source
Nmalite no'gwugwu, you are beginning and end
Nmalite no'gwugwu, you are beginning and end
With you nothing compare, your power none can contend
Call him, Hell answer you
And when youre fallen, Hell pick you up
Theres nothing that my God cant do
Hes able, Hes able
We dey hail you, we dey hail you
We dey hail you, we dey hail you
We dey hail you, we dey hail you
We dey hail you, we dey hail you /2x
Oba awon oba awon oba, King of kings and Lord of lords
Oba awon oba awon oba, King of kings and Lord of lords Ahaa
Alagbara aye, to him all power belongs
Alagbara aye, to him all power belongs
Atewo, atewo, atewo, atewo
Atewo, atewo, atewo, atewo
Nmalite no'gwugwu, you are beginning and end
Nmalite no'gwugwu, you are beginning and end
With you nothing compare, your power none can contend
You better call him, Hell answer you
And when youre fallen, Hell pick you up
Theres nothing that my God cant do
Hes able, Hes able
We dey hail you, we dey hail you
We dey hail you, we dey hail you
We dey hail you, we dey hail you
We dey hail you, we dey hail you /2x
