

# Hosana

Loyiso Bala

Hosanna hosanna  
We worship you O God  
Hosanna hosanna  
You are worthy of our praise  
Hosanna hosanna  
We worship you O God  
Hosanna hosanna  
You are worthy of our praise  
On bended knees I come  
before your holy throne  
To worship you  
You are the living God  
Perfect in all you do  
My heart belongs to you  
Blessed be your name  
blessed be your holy name  
Blessed be your name  
blessed be your holy name  
Hosanna hosanna  
We worship you O God  
Hosanna hosanna  
You are worthy of our praise  
You are the Lamb of God  
sent from heavens throne  
to rescue me  
Lord, can hardly wait  
To see your holy face  
full of mercy and grace  
blessed be your name  
(blessed be your name)  
blessed be your holy name  
(blessed be your holy name)  
O blessed be your name  
(blessed be your name)  
(blessed be your holy name)  
Hosanna hosanna  
We worship you O God  
Hosanna hosanna  
You are worthy of our praise  
Hosanna hosanna  
We worship you O God  
Hosanna hosanna  
You are worthy of our praise

Hosanna hosanna  
We worship you O God  
Hosanna hosanna  
You are worthy of our praise  
You are worthy of our praise  
You are worthy of our praise
