

Amazing God

Ccioma

VERSE 1

Great and mighty God
You are greater than they say
Brighter than the sun
Lord to you darkness is day
Holy, Holy, God Almighty
Who reigns in majesty

CHORUS

You're amazing, yes You are
You amaze me all the time
You are great, yes You are
Doing great things all the time
Amazing God, Faithful God, Mighty God

VERSE 2

If grace is like an ocean
Then we're all sinking in
Your love, You freely pour out
In spite of all my sin
Precious, precious, precious Saviour
Your heart amazes me

BRIDGE

The more I know You the more I see
That Lord You hold me in Your embrace
The more I seek You the more I find
The heights and the depths of your grace
You're amazing, you're amazing
Yes You are, yes You are
You amaze me, you amaze me
All the time, all the time
You are great, you are great
Yes You are, yes You are
Doing great things, doing great things
All the time, all the time
You're amazing, you're amazing
Yes You are, yes You are
You amaze me, you amaze me
All the time, all the time
You are great, you are great
You are great, you are great
You are great, you are great
You are great, you are great
