Abba father, King of glory, all sufficient God

Okunte tebite neguoghor wekhin, Oba nosoba  
The great and mighty king, all-sufficient God, Ive come to worship you.  
Osanoghodua, Oba nor yan etin, Okunte-tebite

Alagbada inor oh, Eledumare Oba, The strong and breasted one

Alagbara, all-sufficient God, Ive come to worship you.  
Abba father, king of glory, all-sufficient God, Ive come to worship you  
Eh! Ive come to worship you, Ive come to worship you.  
Mighty God, Ive come to give you praise  
Ive come to worship you.  
You are not a man that you should lie  
Ive come to worship you  
Jehovah you are the Most High God  
Ive come to worship you.  
You are the pillar that holds my life  
Ive come to worship you  
You are the lord, that is your name  
Ive come to worship you.  
Eh! You are my God, you are my father, you are my lord  
You are my master, you are my God, you are my father  
You are my God, what a mighty God we serve, angels bow before you  
Ive come to worship you  
Eh! Ive come to worship you.  
Lord Ive come to give you praise, mighty God you are  
Lord Ive come to worship you, yeyeyeyeye  
Ive come to worship you
