

# Christ Is Reason

## Jo Deep

### Verse 1

This heart made of stone,  
Your love soaked it soft.  
Sins guilt paralyzed,  
Till your grace appeared  
My freedom was caged  
Your Truth broke the cage  
Your Birth, Death and Rise is why Hope is Born

### Chorus

Hallelujah, sin has lost its home here  
Death no longer lives  
Oh o o  
Christ is the reason  
Hallelujah!  
Righteousness is home here  
Live forevermore  
Oh o o  
Christ is the reason

### Verse 2

No more will I know the sting of death  
Forever will I be over my flesh  
Your spirit has come  
Soon you will appear  
Your promise, All will be fulfilled then!

### Bridge

Christ is reason enough,  
For me to rend heaven with praises
