

# Take over

Davee

Lord I need you to take over  
My Life, My world 2x  
You're the only God who can save,  
You're the only God who can heal,  
You can change everything  
You're the only one who transforms  
You can break every shackles  
Lord answer me

Chorus:

Take over, Take over  
Take over, Right now.  
Lord I need you to takeover  
My Life, My world 2x  
You're the only God who can save,  
You're the only God who can heal,  
You can change everything  
You're the only one who transforms  
You can break every shackles  
Lord answer me

Take over, Take over  
Take over, Right now.
