

# Kosenibire

## Tobiloba

Verse:

Love so beautiful, love so pure, love so sweet and love so wonderful  
I'll write you a song with unspeakable lyrics  
I'll give you a melody with unsingable notes  
You step into my place and my pain you took away  
Silence is impossible, I must let the whole world know  
"Cos you showed me how to love blew my mind with love  
You found me as a slave transformed me to a son  
You made my stripes your own, now to you I belong  
I love you, I love you

Chorus:

Komasenibire o  
Laiye lorun  
I love you (2ce)  
"Cos you're more than a father  
More than a lover  
No matter the weather (2ce)  
I go love you till I die  
Ti ti lai  
No be lie (2ce)  
(Oh Jesus I Love You)  
"Cos you showed me how to love blew my mind with love  
You found me as a slave transformed me to a son  
You made my stripes your own, now to you I belong  
I love you, I love you  
I love you  
Oh yes I love you  
Jesus I love you,  
Miracle in my misery  
Pill for my pain  
Jesus I love you  
Komasenibire Laiye lorun  
And I love you  
Komasenibire Laiye lorun  
Yes I love you  
"Cos you're more than a father  
More than a lover  
No matter the weather (2ce)  
I go love you till I die  
Ti ti lai  
No be lie (2ce)  
(Jehovah)
