

My Confession Reprise

Clifford Enobun

And I worship You
With all of my heart, my mind, my soul
And I adore You
With the life You gave to me
I will sing Your praise
Glory to Your Name
Glory to Your Name
Jesus You are wonderful
You are wonderful to me
Jesus You are wonderful
You are wonderful to me
You are wonderful to me
You are wonderful to me
You are wonderful to me
You are wonderful to me
