### Verse 1

Its a beautiful day  
God has been so good to me  
Its a beautiful life  
I count my blessings and name them one by one.  
Its a beautiful future, God has showed me  
My life is secured in Him  
I count my blessings and name them one by one

### Verse 2

Glorious days God has showed me  
I reach for the higher heights  
The greater one is living inside of me  
Transcendent life  
Im alive today  
No matter what this life could bring  
I count my blessings and name them one by one  
I testify His greatness  
I testify His favor  
I testify His blessings

### Chorus

Oluwa baba Ese  
Kabi ye ose  
Thank you Lord  
Oluwa baba Ese, Yesu me da wase

My hands are lifted up  
Worshipping on bended knees  
Restoring all my wasted years  
Wiping all my tears Baba  
Youve been so good to me
