

# All I Ever Need – Sarai Korpacz

## Sarai Korpacz

### Verse 1

I have rediscovered Your presence in my life  
You mean more to me than I have realized  
You've been so good to me, in You I have been set free  
You're all I ever wanted, You're all I ever need

### Chorus

And I don't ever want to leave  
Your presence, dear Lord  
Is worth more than all the world  
This here is my place, this here is my space in You  
I live to worship You

### Verse 2

I have rediscovered Your power in my life  
You have always been right here, by my side  
Your love rescues me, inspite of all my frailties  
You're all I ever wanted, You're all I ever need

### Chorus

And I don't ever want to leave  
Your presence, dear Lord  
Is worth more than all the world  
This here is my place, this here is my space in You  
I live to worship You
