Hmmm I am Hassel
God has given us eternal life
Found this life in his son
Lost ur way on that jolly ride
Still he says u the one.
U been worried for the bills right
God is telling u Shalom
Mercy comes for the bad guys
Theres a cure for the sad life
Blessing is all that the father gives
Salvation is real coz the Saviour lives
All that we need is supplied in Him
Nothing is better than Christ Within
In him I stand better uh
Blossom as Im watered uh
Tell u Christ is the reason I flourish

I win coz I got the seal
Nzoputa ndum bu ngozim
Ngozi di ni me ofu onye bu Jesu
Enwerem ngozi nile di nime Jesu no man can cut it off.
Amo Jesu so aye Ole oo
Ola Jesu lo mu wa duro oo
Jesu Folajimi, I am the evidence
I got a Saviour whos ever sure.
O gozirim agozi.
