## Matt.O

### Verse 1

I was a slave when He came  
He came in yea  
He took my pains and my burdens away  
Oh oh  
Every wrong that i did  
He paid the price cos  
I couldnt pay Yea  
He made me a new one  
He took my reproach away  
Then He gave this life to me  
A better and brighter life Yea  
I feel the way i feel right now because He did it all
