

Spirit Move

JayMikee

Spirit move over me /2x

(Chorus)Holy Spirit, move me now

Make my life whole again

Spirit move over me[1] Shall we continue to watch as our flesh shuts the mouths of our spirits,
and lead our souls to hell?

Because we are His sons, He sent the spirit of His son into our hearts; the spirit that cries out
'abba Father'

How long will we allow our ears to be filled with lies; lies with the guise of sensible questions
produced by human nature?

Our nature itself has been compromised, but from the fall of Adam and Eve
we are gripped with the gene, the spirit if you may, to know what is good and what is evil; to
think of it.

It was in us, wanting to know that we fell in the first place

Shut the voice of the questioning spirit, all it is after is to confuse us

That same spirit that would want you to find out if there is a God
and life after death, and a Heaven and a Hell, and would make you suicidal
that spirit is from nowhere but Hell. We inherited sin, we inherited death

That should have been our end, but Mercy said 'no'

Repeat Chorus[2] From Adam came death, and through Jesus came life

He died our death to shut the voices out. So call on him when weighed with the weights of the
world,

He wants us to stand still and know just one thing; that He is your God

So are you waiting for a reason to call on Him; to surrender your life to Him?

Do you want to see the gates of Hell before you call on the name of Jesus?

But whoever is united with the Lord is one with him in spirit; 1 Corinthians 6:17

Which means the Holy Spirit; the spirit of the God of the universe would be merged with your
spirit

A person opportuned to be such a carrier of the presence of the Most High would literally be
walking in the supernatural.

How can his life not make perfect sense? It is hard to believe, but it is true

You are opportuned, congratulations! Just call on Him, accept Him, give your life to Him, and
let Him be your God.
