Everybody put your hands up (4x)

Chorus (2x)

Shinananana Im shining

boom boom boom Im burning

Solo 1

Everybody is asking why oh why oh

Why I keep shining

Why I keep winning

Some people go further why must it be you eh

This is what you tell them (2x)

Bridge

Its gotta be me

Cause I got what it takes

Its gotta be you cause you got what it takes

Every minute Im shining

Every day Im burning

In the morning Im shining

In the night Im burning

Everybody go

Chorus

Solo 2

Okay Everybody put your hands up (2x)

Yeah I came in, my presence gives light to the darkness

Cause Im a burning and a shining light

Like an athlete

Im on the right track

Always in the front line

Fresh like a new wine

I shine so bright

Even the stars envy me, envy me envy me

The stars envy me

Like you cause you all can follow me

Lets burn and shine for the world to see
Yeah the future is bright
Its because you are the light so dont hesitate
Go out now you got what it takes
Be the best of you God will be proud of you
Yeah you got what it takes so dont hesitate

Bridge

Chorus (3x)

Call and Resp

Shinananana Im shining

Boom boom boom Im burning
