

You Alone

Clifford Enobun

Lord I reverence You alone, Yes You reign
You are Lord and God of all
I honour You
Yes I reverence You alone, Lord You reign
You are King and Lord of all
I worship You
King of all flesh
God most High
You are matchless in love and power
No one else like You
Jesus Son of God
The Prince of peace
Sweet Spirit of grace
My dearest friend
Now I love I love to worship You alone
Yes I love to give true worship to You alone
Holy God, Mighty God
Sovereign One
I worship You
Precious One, Awesome One
Great God
I lift my hands
