## Jvocs

I have seen  
The God of signs and wonders working for me  
Opening closed doors  
And Ive seen too  
The barren woman  
Bring forth her baby  
And Ive heard of  
How you raised a dead man back to life  
After being buried for four days  
Lord you died  
And rose again on the third day Jesus  
That is the greatest miracle of all times  
With our hearts we believe  
With our mouth we confess  
And by faith we receive  
I believe in miracles  
I believe in miracles  
I believe in miracles  
I believe in miracles  
I believe in miracles  
I believe in miracles  
No mountain is too high for me to climb  
Because I have Jesus  
With Jesus there is no impossibility  
What he say he does  
What he say he brings to pass  
I can do all things because  
I have the holy Spirit  
I believe in miracles  
I believe in miracles  
I believe in miracles  
I believe in miracles  
I believe in miracles
