

I'm a miracle

Ada Ehi

Verse 1

Turn on the light see me now say
Im walking in power, walking in favor
spread the news as I go say
Im walking in power, walking in favor
I got the smile on face as I go
throw my hands in the air me I walk
everything all around me working in my favor

Chorus

Tell me who can be against
tell me if the Lord be for you who can be against
tell me who can be against
tell me if anybody should say
Im a miracle eh eh eh eh eh eh eh eh eh eh eh
everyday eh eh eh eh eh eh eh eh eh eh eh eh eh eh
Im a miracle eh eh eh eh eh eh eh eh eh eh eh eh eh eh

Verse 2

When we go in the morning we go in His favor
when we come in the evening, we come in His glory
were the ones who never go down
seeing His mercy never runs out
upon all of us who are called to work in His glory

Chorus 2X
