

Higher

St. Chika

Dont you wanna dance?
Dont you wanna praise?
I just wanna dance
I just wanna praise
I just wanna lift his name higher and higher eh!
I just wanna dance
I just wanna praise
I just wanna lift his name higher and higher eh!
Higher and Higher
To the end of the world
Higher and Higher
So that the World could see
Higher and Higher
For as long as I live
Higher and Higher
Till the end of time
God too dey bless me
He shower me with blessings and mercies
Everywhere I turn, e dey bless me
Oh, right now, say nothing dey stress me
God too dey bless me
He shower me with blessings and mercies
Everywhere I turn, e dey bless me
Oh, right now, say nothing dey stress me
I just wanna dance
I just wanna praise
I just wanna lift his name higher and higher eh!
I just wanna dance
I just wanna praise
I just wanna lift his name higher and higher eh!
Count your blessings and name them one by one
And it will surprise you what the Lord has done
From the north, south, east and west
Never heard of a man like him
Gave us his son
Gave us Jesus
That we might be saved oh!
God too dey bless me
He shower me with blessings and mercies
Everywhere I turn, e dey bless me
Oh, right now, say nothing dey stress me
God too dey bless me
He shower me with blessings and mercies

Everywhere I turn, e dey bless me
Oh, right now, say nothing dey stress me
I just wanna dance
I just wanna praise
I just wanna lift his name higher and higher eh!
I just wanna dance
I just wanna praise
I just wanna lift his name higher and higher eh!
I just wanna dance
I just wanna praise
I just wanna lift his name higher and higher eh!
I just wanna dance
I just wanna praise
I just wanna lift his name higher and higher eh!
Higher and Higher eh
Higher and Higher eh
Higher and Higher eh
Higher and Higher eh
Higher and Higher eh
Higher and Higher eh
Higher and Higher eh
Higher and Higher eh
God too dey bless me
He shower me with blessings and mercies
Everywhere I turn, e dey bless me
Oh, right now, say nothing dey stress me
God too dey bless me
He shower me with blessings and mercies
Everywhere I turn, e dey bless me
Oh, right now, say nothing dey stress me
I just wanna dance
I just wanna praise
I just wanna lift his name higher and higher eh!
I just wanna dance
I just wanna praise
I just wanna lift his name higher and higher eh!
