**TMax**

Make I tell you wetin I dey think about you  
Apata ai'saya, apata a'indi'gbolu  
Make I tell you wetin I dey think about you  
Kabi o o si, Moyi ka osi  
Moyi ka otun niwaju Eledumare  
Jesu baba mi baba mi  
Na you be the first, the last, beginning, na you be the end  
Inside you I dey live, I dey move, I dey sabi Myself  
Na you hold my life, my world, my future, e dey for your hand  
And you sabi my name before the world e start  
E no get anything way you no fit to do  
E no dey hard you at all  
E no get as e be you go sabi to do am welu welu oh  
I just want make I dey like you  
I surrender all, make I be your twin  
I just want make I dey like you  
I surrender all, make I be your twin  
You dey make all things tear rubber  
Your love set pass pure water  
Nothing else go do  
I dey die for you  
You be everything, everything na you (2x)  
Oh (16x)  
Oghene mi e ru we do

I just want make I dey like you  
I surrender all, make I be your twin  
I just want make I dey like you  
I surrender all, make I be your twin  
You dey make all things tear rubber  
Your love set pass pure water  
Nothing else go do  
I dey die for you  
You be everything, everything na you (2x)  
Oh (16x)  
Oghene mi e ru we do
