

Giving it to You

JayMikee

Verse 1 There is a day I will never forget It seems like yesterday It is the day that you came into my life And you turned it all around The feeling I have gotten since that day I can never explain it no matter how hard I try It makes me want to climb upon the mountain With my life in my hand Hold it like Rafiki and Simba in The Lion King, I will shout Chorus Im giving it to you x2 Jesus, Im giving to you Im giving it to you You can take it, you can own it You can use it as you wish Im giving it to you x2 Verse 2 Who am I, that you are mindful of me Who am I, I am unworthy, I am unqualified But I know Im nothing without you And I know, Im nowhere without you Lord So this is my life And I am raising it up And I am screaming at the top of my voice for you to know that (Chorus) Bridge Giving it to you x2 Its my life Giving it to you (Chants) Can you imagine if I was still holding my life in my hand? Where would I be? If I was the controller of my destiny How would I survive? How would I live? And so I am happy that Ive given it to you x2 Jesus, I've given it to you Ive given it to you You can take it, you can own it You can use it as you wish Ive given it to you x2 Download music here
